TECHNION – RUTH & BRUCE RAPPAPORT FACULTY OF MEDICINE
RESUME (for physicians only)

1. PERSONAL DETAILS

Full Name: Jacob Bickels

Identity No: 059033274

Date and place of birth (optional): 30 September 1964, Israel

Marital status (optional): Married + 4

Phone numbers: +972-52-4266341

E-mail: jbickels@gmail.com

2. ACADEMIC DEGREES 2006 – Clinical Associate Professor, Tel-Aviv University
(Year, department, institution - starting with most *recent* degree)

3. ACADEMIC APPOINTMENTS

(Years, rank or position, department, institution - starting with most *recent* appointment)

4. PROFESSIONAL EXPERIENCE

(Years, rank or position, employer, including fellowships - starting with most *recent* appointment)

1986-1992 Hebrew University school of medicine, Jerusalem, Israel

1995-2001 Residency in orthopedic surgery, Tel-Aviv Sourasky medical center

1997-1999 Clinical fellowship in orthopedic oncology, Washington Cancer Institute, Washington DC, USA

2001-2017 Attending surgeon, national unit of orthopedic surgery, Tel-Aviv Sourasky medical center

2013-2017 Head, service for the management of metastatic bone disease, Tel-Aviv Sourasky medical center

5. RESEARCH INTERESTS (briefly)

Limb-sparing surgery

Cryoablation of bone tumors

Long-term outcomes of endoprosthetic reconstructions

Surgical management of metastatic bone disease

Photodynamic therapy

6. TEACHING EXPERIENCE

(Course title, level [graduate or undergraduate, list each course once.]

Also, list design and supervision of new courses at the Technion and elsewhere.)

7. TECHNION ACTIVITIES

(Years, activity – list Technion, *not* faculty, committees or administrative positions)

8. FACULTY ACTIVITIES

(Years, activity – in descending order)

2005-2008 Chairman, Board of Orthopaedic Surgeons, Scientific Council, Israel Medical Association

2013-2015 Head, Department of Orthopedic Surgery, Sackler Faculty of Medicine, Tel-Aviv University

9. PUBLIC PROFESSIONAL ACTIVITIES

(Years, activity - list of public professional committees, editorial responsibilities, editorial boards, reviewing of grants and manuscripts for scientific journals, etc.)

10. MEMBERSHIP IN PROFESSIONAL SOCIETIES

2001 The Israeli Orthopedic Society

2001 International Society of Limb Salvage (ISOLS)

2002 The Israeli Society for Clinical Oncology and Radiation Therapy (ISCORT)

2002 European Musculoskeletal Oncology Society (EMSOS)

2007 Israeli Society of Palliative Medicine

2007 American Musculoskeletal Tumor Society (AMSTS)

11. AWARDS AND HONORS

(Year, Honor - list prizes, awards or significant nominations, *do not* include dean's list during BSc.)

1990 - Hadassah Medical School Dean's Scholarship for scholastic excellence

1991 - Beker foundation scholarship, awarded for scholastic excellence

1991 - The Israel Cancer Association Grant

1997 - The American Physician Fellowship Grant

1999 - Excellence in Research Award, Washington Hospital Center, Medlantic Research Institute,

Washington, DC

12. GRADUATE STUDENTS

(Name of student, year of graduation title of thesis, name of primary supervisor, names of additional supervisors, if any).

(If known, please supply for each graduate, place of employment, position and professional standing. It is also recommended that you highlight students' publications in your publication list.) **Completed**

MD Theses

Completed Basic Science Thesis

Completed MSc Theses

Completed PhD Thesis

MD Theses in progress

(Same details as for completed thesis, as well as starting year and expected year of graduation)

Basic Science Theses in progress

(Same details as for completed thesis, as well as starting year and expected year of graduation)

MSc Theses in progress

(Same details as for completed thesis, as well as starting year and expected year of graduation)

PhD Theses in progress

(Same details as for completed thesis, as well as starting year and expected year of graduation)

13. RESEARCH GRANTS

Competitive

Industrial

(Year, granting agency, amount, title of grant, names of principal investigators and co investigators). (Do not list grants from internal Technion sources, or grants less than 5,000 US\$).

1991 Research and Development Grant on: "New design of a needle holder"

(Chief scientist, Ministry of Industry and Trade)

14. PUBLICATIONS

(Note: *all publications should appear in increasing chronological order*)

14.1 Theses

14.2 Refereed papers in professional journals

(Include all co-authors in the order they appear in the paper, title of paper, journal, volume, first and last pages and year of publication. Highlight your name on each publication by using **bold** font. Separate published and accepted or in press papers. Do not include papers in preparation.)
