

# ***CURRICULUM VITAE***

## **Nakache Gabriel, MD**

**HOSPITAL** Department of Otolaryngology Head & Neck Surgery,  
Sheba Medical Center, Israel.

### **A. EDUCATION**

2000-2008 MD, Sackler Faculty of Medicine, Tel-Aviv University, Israel.  
Pre-clinical and clinical graduation cum-laude. Bernard Elkin Award  
for Excellency in the surgical studies.

2011 Educational Commission for foreign medical graduates (ECFMG)  
accredited. Certification number 0-686-349-2.

2003-2010 MA studies, The Institute of Latin American History and Culture,  
Faculty of Humanities, Tel-Aviv University, Israel.

1995-1996 BA studies 1<sup>st</sup> year, The Department of Geophysics and Planetary  
Sciences, Faculty of the Exact Sciences, Tel-Aviv University, Israel.

### **B. MILITARY SERVICE**

1996-1999 Military service (IDF). Tank Commander and platoon sergeant.  
Reserve service as a battalion physician and since 2013 head of a  
medical platoon in the homefront command.  
Current rank – Major.

### **C. ACADEMIC EXPERIENCE**

2010-2013 School of Continuing Medical Education, Otolaryngology Head &  
Neck Surgery, Sackler Faculty of Medicine, Tel-Aviv University.

2010- ENT Tutor for MD students, Sackler Faculty of Medicine, Tel-Aviv  
University.

2014-2015 Instructor of an MD dissertation, Sackler Faculty of Medicine, Tel-  
Aviv University.

2014-2015 Lecturer, Nursing School, Sheba Medical Center, Israel.

2015-2016 Lecturer, Stanley Steyer School of health professions, Sackler Faculty  
of Medicine, Tel-Aviv University.

### **D. CLINICAL EXPERIENCE**

2020- Senior Doctor, Department of Otolaryngology Head & Neck Surgery  
and the Rhinology and Anterior Skull base unit.  
Head of the Obstructive sleep apnea clinic.  
Sheba Medical Center, Israel.

- 2017-2020 Senior Doctor, Department of Otolaryngology Head & Neck Surgery, Rabin Medical Center, Israel.
- 2017 Observational fellowship in Sinus and Skull Base Endoscopic Surgery. Department of Otolaryngology Head & Neck Surgery, Univeristy Hospital Varese, Italy.
- 2010-2015 Residency, Department of Otolaryngology Head & Neck Surgery, Sheba Medical Center, Israel. Board certified.
- 2013-2015 Chief resident.
- 2015 Basic Science Project, 6 months. Faculty of Engineering, Bar Ilan University, Israel. Instructor – Dr. Dror Fixler.
- 2013 Plastic surgery Department, 3 months. Sheba Medical Center.
- 2012 Maxillofacial Department, 3 months. Sheba Medical Center.
- 2010 Intensive Care Unit, 3 months. Sheba Medical Center.
- 2008-2009 Internship, Meir Medical Center, Israel.

## **E. ACTIVE PARTICIPATION IN SCIENTIFIC MEETINGS**

- 2011 Nakache G, Yakirevitch A, Wolf M, Bedrin L. Sternberg's canal meningoencephalocele. 1<sup>st</sup> meeting of the Israeli Rhinologic Society. Caesarea, Israel.
- 2012 Nakache G, Primov A, Wolf M. Predicting outcome in crico-tracheal resection. Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel.
- 2013 Nakache G, Trommer S, Lipschitz N, Drendel M, Wolf M, Migirov L. Outcome of patients with total sudden sensorineural hearing loss ("dead ear"). Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel.
- 2014 Nakache G, Primov A, Alon EE, Wolf M. Tracheal dilatation as a bridging procedure before tracheal resection in patients with acquired tracheal stenosis. Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel.
- 2015 Yakirevitch A, Nakache G, Bedrin L. Sino-nasal lesions: Choosing the appropriate surgical approach. Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel.
- 2016 Nakache G, Primov A, Sagiv D, Alon EE, Wolf M. Cricotracheal resection in the elderly: challenges and outcome. Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel.
- 2017 Nakache G, Yahav G, Hout Siloni G, Barshack I, Alon E, Wolf M, Fixler D. Fluorescence Lifetime in Benign and Malignant Thyroid Tissues. Annual meeting of the Israeli Society of Head and Neck Oncology and Surgery. Galilion, Israel.
- 2022 Nakache G, Yakirevitch A, Bedrin L. Building a rhinologic unit. Instructional course. Annual meeting of the Israeli Society of Otolaryngology Head & Neck Surgery. Eilat, Israel. 5<sup>th</sup> Franco Israeli Congress on Sleep. Tel Aviv, Israel.
- 2022 Nakache G. The decision making process: How does a multidisciplinary approach change the sleep apnea treatment algorithm.

## F. SCIENTIFIC ARTICLES

1. Prophylactic antibiotics in septoplasty with intranasal septal splints: A comparative analysis. Zavdy O, **Nakache G**, Alkan U, Hazan A, Reifen E, Ritter A. *Clin Otolaryngol* 2024;49(1):94-101.
2. Applicability of Transnasal Echography for Identification of Internal Carotid Artery. Katz U, **Nakache G**, Alon EE, Yakirevitch A. *Laryngoscope* 2022;132(6):1184-8.
3. Safety of Endoscopic Sinus Surgery in the Elderly-Are Octogenarian Patients at a Higher Risk? Levi L, Reuven Y, Ben-Ner D, Koch N, Gunders-Peleg M, Nachalon Y, Koren I, Hazan A, **Nakache G**, Reifen E, Soudry E. *Am J Rhinol Allergy* 2022;36(1):91-8.
4. Epistaxis in the setting of antithrombotic therapy: A comparison between factor Xa inhibitors, warfarin, and antiplatelet agents. Glikson E, Chavkin U, Madgar O, Sagiv D, **Nakache G**, Yakirevitch A, Wolf M, Alon EE. *Laryngoscope* 2019;129(1):119-23.
5. The use of fluorescence lifetime technology in benign and malignant thyroid tissues. **Nakache G**, Yahav G, Siloni GH, Barshack I, Alon E, Wolf M, Fixler D. *J Laryngol Otol.* 2019;133(8):696-9.
6. Mobile phone usage does not affect sudden sensorineural hearing loss. Sagiv D, Migirov L, Madgar O, **Nakache G**, Wolf M, Shapira Y. *J Laryngol Otol.* 2018;132(1):29-32
7. Novel Anatomic Characteristics of the Laryngeal Framework: A Computed Tomography Evaluation. Sagiv D, Eyal A, Mansour J, **Nakache G**, Wolf M, Primov-Fever A. *Otolaryngol Head Neck Surg.* 2016; 154(4):674-8.
8. Predicting Outcome in Tracheal and Cricotracheal Segmental Resection. **Nakache G**, Primov-Fever A, Alon EE, Wolf M. *Eur Arch Otorhinolaryngol.* 2015; 272(6):1471-5.
9. Steroid based treatments for patients with total sudden sensorineural hearing loss. **Nakache G**, Migirov L, Trommer S, Drendel M, Wolf M, Henkin Y. *ACTA otolaryngologica* 2015; 135(9):907-13.
10. Use of the vessel sealing system in tracheostomy. Yakirevitch A, **Nakache G**, Lipschitz N, Alon EE, Wolf M, Talmi YP. *Isr Med Assoc J.* 2013; 15(6):275-6.
11. The low-dose (1 microg) adrenocorticotropin stimulation test in kidney and kidney-pancreas transplant patients: a potential guideline for steroid withdrawal. Baz-Hecht M, Osher E, Yachnin T, Nakache R, **Nakache G**, Tordjman K, Stern N. *Clin Transplant.* 2006; 20(1):72-7.

## G. MEMBERSHIP IN PROFESSIONAL SOCIETIES

2009 - Israeli Medical Association

2010 - The Israeli Society of Otolaryngology Head & Neck Surgery

2013 - The Israeli Rhinological Society

## H. RELEVANT COURSES

1. Temporal Bone course. Asaf Harofeh Hospital. February 2011, Israel.
2. Good Clinical Practice. Sheba Medical Center, Israel.
3. Hands-on fresh cadaveric endoscopic sinus surgery course. The Faculty of medicine, Tel Aviv University, and the Israeli Rhinologic Society. February 2013, Israel.
4. Basic Neck and Thyroid Ultrasound workshop. The Israeli Society of Head & Neck Surgery and Oncology. November 2011. Jerusalem, Israel.
5. International summer school; Transnasal endoscopic surgery: from sinuses to skull base. University of Brescia and Azienda Ospedaleria Spedali Civili di Brescia. July 2015. Brescia, Italy.
6. SPARC, global school of entrepreneurship by ARC, 3 month course, 2023-24. Sheba Medical Center.
